### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Diane Kilpatrick-Lee on April 7, 2009.

The application has been amended as follows:

(i) In claim 32, in line 1, replace claim number "25" to --29--.

The amendment is for correcting the obvious typographic error in view those claims as originally filed.

2. The following is an examiner's statement of reasons for allowance:

Applicants' Appeal Brief filed January 26, 2009 is noted. Upon further view of the disclosure of Hlatky (WO 01/81436), it is the examiner's position that, in Hlatky's catalyst composition, the ionic liquid is used as a solvent for the catalyst composition of metallocene/aluminoxane to provide a catalyst homogeneous solution while the ionic liquid of the instant claims is used as a reactant to react with the metallocene complex to provide a heterogeneous catalyst precipitate in an apolar solvent. Therefore, Hlatky does not teach or suggest the heterogeneous catalyst composition and the process for preparing such of the instant claims, and the rejections under 35 USC 103 of the record are now withdrawn. The instant claims are now in the condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Caixia Lu whose telephone number is (571) 272-1106. The examiner can normally be reached on 9:00 a.m. to 5:30 p.m..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Wu can be reached on (571) 272-1114. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
